FIRST EDITIONS® TIGER EYES® STAGHORN SUMAC

Rhus typhina 'Bailtiger' PP16,185

This unique sumac is one of the best-selling plants in the First Editions® collection with its striking foliage that transforms to orange, yellow, and scarlet in fall.

FIRST EDITIONS® MATADOR™ MAPLE

Acer x freemanii 'Bailston'

This maple changes color a bit later than other cultivars and holds its leaves longer. Matador™ also has slightly deeper red color than Autumn Blaze® and colors more consistently than Sienna Glen®.

FIRST EDITIONS® JADE PARADE® SAND CHERRY

Prunus pumila 'UCONNPP002' PP33,014

As fall begins, the blue-green leaves of Jade Parade® take on vibrant shades orange and red.

FIRST EDITIONS® PARKLAND PILLAR® BIRCH

Betula platyphylla 'Jefpark' PP25,468

From brilliant white bark to golden leaves, there's much to love about this tree in fall.

FIRST EDITIONS® AMBER JUBILEE® NINEBARK

Physocarpus opulifolius 'Jefam' PP23,177

The colorful leaves of Amber Jubilee® start in spring and keep going into fall with tones of red and purple.

FIRST EDITIONS® NEON BURST™ DOGWOOD

Cornus alba 'ByBoughen' PP27,956

As fall arrives, the chartreuse leaves of Neon Burst™ take on shades of purple, red, yellow, and orange.

FIRST EDITIONS® AUTUMN INFERNO® COTONEASTER

Cotoneaster 'Bronfire' PP30,493

Starting with red berries and moving onto red-orange foliage, this cotoneaster is a stunner in the fall landscape.

NORTHERN RED OAK

Quercus rubra

This fast-growing oak has rich shades of red and red-brown leaves in fall, which remain on the tree into winter.

FALL FIESTA® SUGAR MAPLE

Acer saccharum 'Bailsta'

The outstanding red and orange leaves on Fall Fiesta® surpass other sugar maples, making it truly stand apart in the autumn landscape.

AUTUMN MAGIC BLACK CHOKEBERRY

Aronia melanocarpa 'Autumn Magic'

From black fruit to red and purple leaves, Autumn Magic is a stunning edible plant for the late season landscape.
