MATADOR™
MAPLE

Acer x freemanii 'Bailston'

USDA Hardiness Zone: 4-7

AHS Heat Zone: 7

Height: 40-45'

Width: 20-40'

Exposure: Full Sun

Shape: Upright, Oval

Selected for its superior habit and fall color, Matador™ Maple turns deeper red than Autumn Blaze® and colors more consistently than Sienna Glen®. An adaptable tree with an upright, symmetrical form, Matador™ gains its fall color a bit later than other cultivars and holds its leaves longer. It is an excellent choice for a lawn, street, or park. Discovered by Kevin Johnston and introduced by Bailey Nurseries.
