USDA Hardiness Zone: 4-8

AHS Heat Zone: 8

Height: 8-12'

Tall Guy® is a moderate to fast growing, upright, columnar arborvitae. A better plant in production and the landscape than Emerald Green, Tall Guy® matures quickly with a single liner and has no gaps in the habit from multiple leaders like other cultivars. This evergreen thrives in warm climates, does equally well in cold climates, and is resistant to Passalora/Cercospora needle blight. Tall Guy® was bred by Dr. John Ruter at the University of Georgia.
