DAYBREAK BARBERRY

Berberis thunbergii 'Daybreak' PP23,747

USDA Hardiness Zone: 4-8

AHS Heat Zone: 8

Height: 1.5'

Width: 1.5-2'

Exposure: Full Sun

Shape: Compact, Mounded

Daybreak is a colorful, compact barberry that holds up remarkably well in warm climates. The foliage emerges orange-red and eventually matures to bright yellow gold that doesn't burn or bleach in the summer heat. It forms a beautifully rounded mound that requires very little pruning. Daybreak has been fruitless to date. Bred by Plant Introductions, Inc.
