

CINNAMON GIRL[®] DISTYLIUM

Distylium 'PIIDIST-V' PP27,631

USDA Hardiness Zone: 7-9

AHS Heat Zone: 9

Height: 2-3'

Width: 3-4'

Exposure: Full Sun to Part Shade

Shape: Rounded to Spreading

With smaller foliage and a more refined look than many other distylium on the market, Cinnamon Girl[®] is an excellent alternative to boxwood and other evergreen plants threatened by insects and diseases in the south. Cinnamon Girl[®] is also one of the most cold-tolerant varieties within the species. Plum-purple new growth turns to blue-green as the leaves mature.
