

TAHITI[™] HIBISCUS

Hibiscus syriacus 'Mineru'

USDA Hardiness Zone: 5-8

AHS Heat Zone: 8

Height: 5-8'

Width: 4-7'

Exposure: Full Sun

Shape: Upright

Tahiti[™] Hibiscus has textured, vibrant, semi-double flowers that create a massive pop of color in the summer landscape. Deep pink-purple flowers are accentuated with a deep red center, and with the semi-double bloom on a large shrub, Tahiti[™] makes a fantastic focal point in the back of the garden. Blooming from July through September in Zones 5-8, this hibiscus adds a sense of the tropics even to moderate climates. Bred by Minier Nursery in France.
