

## MOONLIGHT MAGIC™ CRAPEMYRTLE

*Lagerstroemia 'PIILAG-IV'* PP25,478

**USDA Hardiness Zone:** 7-9

**AHS Heat Zone:** 9

**Height:** 8-12'

**Width:** 4-6'

**Exposure:** Full Sun

**Shape:** Upright, Vase-Shaped

Moonlight Magic™ has beautiful purple-maroon foliage that holds its color through summer heat. Bright white blooms provide sharp contrast from the foliage in late July and August. The upright habit is perfect for a small tree. Like our other dark leaf crapemyrtles, Moonlight Magic™ is disease resistant and an excellent replacement for purple leaf varieties that typically defoliate by August.
