SUNSET MAGIC™
CRAPEMYRTLE

Lagerstroemia 'PIILAG-IX' PP29,325

USDA Hardiness Zone: 7-9

AHS Heat Zone: 9

Height: 6-8'

Width: 5-6'

Exposure: Full Sun

Shape: Upright

Sunset Magic™ Crapemyrtle is compact beauty that has large red inflorescences that cover the plant and put on quite the show against the dark foliage. Sunset Magic™ flowers more heavily than other dark-leaved red crapemyrtle on the market. The disease-resistant deep black-purple leaves are flat, lustrous, and hold their dark color into late summer.
