CRIMSON FIRE™ FRINGE FLOWER

Loropetalum chinense var. rubrum 'PIILC-I' PP25,534

USDA Hardiness Zone: 7-9

AHS Heat Zone: 9

Height: 4'

Width: 4-5'

Exposure: Full Sun to Part Shade

Shape: Mounded

Crimson Fire™ is the first truly compact red-leaf fringe flower on the market with proven cold tolerance. When other red-leaf varieties have been severely damaged during particularly rough winters, Crimson Fire™ came through unharmed with minimal tip burn. Additionally, this well-behaved selection has controlled growth and doesn't throw out rangy shoots. Bright pink flowers in spring are highlighted by the dark foliage.
