With bright yellow leaves, Lucky Devil<sup>®</sup> Ninebark is a spectacular shrub to serve as a focal point, informal hedge, or along the foundation of your home. With a mature size of 3-4' tall and wide, beautiful white blooms in spring, and orange fall color, this compact shrub is a multi-season wonder in cool and moderate climates. While some yellow-leaved plants may bleach out in full sun, Lucky Devil<sup>®</sup> maintains its bright color to capture attention and serve as a strong accent to other plants in the landscape.
