

MAJESTIC SKIES™ NORTHERN PIN OAK

Quercus ellipsoidalis 'Bailskies'

USDA Hardiness Zone: 3-6

AHS Heat Zone: 6

Height: 60'

Width: 45'

Exposure: Full Sun

Shape: Conical in Youth, Maturing to Broad Oval

Majestic Skies™ Northern Pin Oak is a distinct improvement over the species with straighter branching and a more symmetrical shape. Foliage emerges red in spring and is more substantial and darker green than the species. The foliage ages to an excellent red in the fall. Northern pin oaks prefer to grow in full sun with deep, well-drained soil. Majestic Skies™ was discovered at Bailey Nurseries.
