

ABOVE & BEYOND™ ROSE

Rosa 'ZLEEltonStrack' PP24,463

USDA Hardiness Zone: 3-7

AHS Heat Zone: 7

Height: 10-14'

Width: Varies

Exposure: Full Sun

Shape: Upright, Spreading

Above and Beyond™ is a truly special climbing rose for cold climates combining reliable spring flowering, vigorous growth, resistance to fungal disease, and a unique color in hardy roses. Orange flower buds open in prolific clusters of five or more apricot colored semidouble to double flowers. Plants bloom in mid-to-late spring with sporadic repeat flowering in summer. With extreme cane hardiness, Above and Beyond™ can be a climber or a large free-standing shrub in colder regions where plant dieback from cold may otherwise be an issue.
