

## PINK SPARKLER™ BIRCHLEAF SPIREA

*Spiraea betulifolia* 'COURISPI01' PP27,933

**USDA Hardiness Zone:** 3-8

**AHS Heat Zone:** 7

**Height:** 3-4'

**Width:** 3-4'

**Exposure:** Full Sun to Part Shade

**Shape:** Mounded

Bred in France, Pink Sparkler™ Birchleaf Spirea blooms in early summer with large pink flowers at the terminals of this lovely, rounded shrub. It makes a statement in the autumn, when new flowers are formed and bloom along the leaf axils in each stem. Flowers are small, but there are more of them that add a pop of pink color to the fall landscape against leaves that age to burgundy-red. This plant needs very little pruning to keep its perfect shape.
