SUNDROP™ SPIREA

Spiraea 'Bailcarol'

USDA Hardiness Zone: 3-8

AHS Heat Zone: 7

Height: 12-15"

Width: 2-3'

Exposure: Full Sun

Shape: Dense Mound

Sundrop™ Spirea boasts beautiful sprays of pink flowers in early summer that stand out against petite, golden foliage that holds its color, even through the summer heat. This natural compact selection has a beautiful, rounded form that requires little or no pruning and is the perfect addition to any border. Sundrop™ has proven itself to be hardier than most golden spirea. Discovered by Terry Schwartz and introduced by Bailey Nurseries.
