

VIRTUAL VIOLET® LILAC

Syringa 'Bailbridget' PP30,286

USDA Hardiness Zone: 3-7

AHS Heat Zone: 7

Height: 6-8'

Width: 5-7'

Exposure: Full Sun

Shape: Upright

With shiny violet-trimmed new leaves, deep purple stems, raspberry-purple buds, and fragrant violet flowers, Virtual Violet® Lilac is aptly named. The shape is upright instead of rounded and compact, and the dense habit makes it a great choice for a hedge in smaller spaces as well as foundation plantings. Remarkably mildew-free, this is a controlled cross between 'Charles Joly' and two outstanding National Arboretum varieties.
