

JUMPSTARTS® 5.5

This potted liner gives you the benefits of a JumpStarts® liner with twice the size to help you quickly finish larger crops. With the JumpStarts® 5.5, you have several advantages, including:

- Extended planting window
- Consistent, well-branched crop
- Replacement for 1-gallon upshifts to produce 3- or 5-gallon containers
- Easier to ship with less cost than a 1-gallon
- Combine the JumpStarts® 5.5s with your bareroot program to have flexibility in your inventory from spring through fall
- Available for most of the growing season, shipping from Cottage Grove, MN
- JumpStarts® 5.5 are a grower product and not available for retail sales

Choose from Endless Summer® Hydrangeas and other popular varieties in the First Editions® brand including hydrangea, ninebark, lilac, and arborvitae.
