TO OUR VALUED PARTNERS,

Over the last few years, you've seen us introduce some truly unique hydrangeas in the Endless Summer® Hydrangeas and First Editions® Shrubs & Trees brands. Pop Star® Reblooming Hydrangea set the new standard for maximizing blooms and speed to rebloom on a compact shrub. Eclipse® Bigleaf Hydrangea introduced the market to the first-ever hydrangea with dark leaves that stay dark.

And now, we are excited to continue the trend of innovative new hydrangea introductions in 2025 with First Editions® FlowerFull® Smooth Hydrangea. Bred at Bailey Nurseries' farm in Cottage Grove, Minnesota, FlowerFull® offers an improved solution to an industry standard with disease-resistant foliage, strong stems, and double the flowers. I encourage you to keep reading to see more details and background information on this fantastic new introduction.

In addition to FlowerFull®, we've continued the tradition of selecting the best selections of perennials, shrubs, and trees that provide something new, different, and beneficial to growers, at retail, and in the landscape.

From all of us at Bailey, we hope that you have a successful and productive year. Thank you for your partnership!

FLOWERFULL[®]

SMOOTH HYDRANGEA

Hydrangea arborescens 'BAIful' PP35,613

Height: 3-4'

AHS Heat Zone: 8

Width: 4-5'

Shape: Rounded

USDA Hardiness: 3-8

Exposure: Full Sun to Part Shade

- Produces two-to-three times more blooms per season than other *Hydrangea arborescens*.
- Features strong stems that don't flop in the wind and rain, holding the bold blooms tall all season.
- Has disease-resistant, lush foliage that stays clean late in the season, providing wonderful contrast to the blooms.
- Is a low-maintenance marvel that requires less touch points in production, at retail, and in residential and commercial landscapes.

Trippy Pink® Butterfly Bush

Buddleia davidii 'Bailbudone' PPAF

- Masses of hot pink flowers on upright stems
- Nectar-filled blooms attract various pollinators
- Great choice for colorful hedges or a focal point

| HEIGHT | WIDTH | SHAPE |
|----------------|---------------|--------------------|
| 6-8' | 6-8' | Rounded to Upright |
| USDA HARDINESS | AHS HEAT ZONE | EXPOSURE |
| 5-9 | 9 | Full Sun |

Big Beauty™ Gardenia

Gardenia jasminoides 'Baildeniaone' PP36,284

- Features fragrant, double white blooms
- Naturally round habit eliminates the need for pruning in the landscape
- Great plant for hedges or a focal point

| HEIGHT | WIDTH | SHAPE |
|----------------|---------------|------------------------|
| 6-7' | 6-7' | Rounded |
| USDA HARDINESS | AHS HEAT ZONE | EXPOSURE |
| 7-9 | 9 | Full Sun to Part Shade |

Violet Mist® Chastetree

Vitex agnus-castus 'Bailtexfour' PP36,066

- Vibrant blue-purple flowers emerge in mid-June and rebloom after 60 days
- Excellent drought, heat, and salt tolerance
- Pollinator magnet for a colorful focal point or short hedge

| HEIGHT | WIDTH | SHAPE |
|----------------|---------------|----------|
| 3-4' | 3-4' | Rounded |
| USDA HARDINESS | AHS HEAT ZONE | EXPOSURE |
| 6-9 | 9 | Full Sun |

Courageous™ Crabapple

Malus x 'Durlawrence'

- Early blooming variety with very fragrant, lilac-pink blooms
- Boasts an upright, neat form that looks good in every season
- Has beautiful orange-yellow fall color and little to no fruit in winter

| HEIGHT | WIDTH | SHAPE |
|----------------|---------------|------------------|
| 20-25' | 15-20' | Upright, Rounded |
| USDA HARDINESS | AHS HEAT ZONE | EXPOSURE |
| 2-7 | 7 | Full Sun |

Green Wall Spire™ Crabapple

Malus x adstringens 'Jefwall' PP35,109

- Features a columnar form with beautiful white flowers in spring
- Has bronze fall foliage and red winter fruit
- Excellent specimen tree or tall hedge

| HEIGHT | WIDTH | SHAPE |
|----------------|---------------|----------|
| 18-20' | 5-6' | Columnar |
| USDA HARDINESS | AHS HEAT ZONE | EXPOSURE |
| 2-8 | 8 | Full Sun |

Armstrong Gold™ Maple

Acer rubrum 'JFS-KW78' PP25,301

- Has improved fall color compared to Armstrong
- Features compact and dense growth
- Great tree for street plantings

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|-----------|
| 40' | 12' | Fastigate |
| USDA HARDINESS | EXPOSURE | |
| 4-8 | Full Sun | |

Low Scape Snowfire® Chokeberry

Aronia melanocarpa 'SMNAMPEM' PP34,116 CPBRAAF

- Has plentiful white blooms that cover the shrub in spring
- Multi-season interest with black fruit and orange-red fall color
- Ideal for small hedges and foundation plantings

| HEIGHT | WIDTH | SHAPE |
|----------------|------------------------|---------|
| 3-4' | 3-4' | Mounded |
| USDA HARDINESS | EXPOSURE | |
| 3-9 | Full Sun to Part Shade | |

Mystic Ruby® Buckeye

Aesculus x bushii 'Aaron 1' PP29,092

- Features pink-red flowers with improved hardiness
- Produces nuts and shows resistance to leaf blotch and leaf scab
- Has wonderful contrast with the coarse foliage and upright panicle blooms

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|--------------------|
| 40-50' | 12-20' | Upright, Pyramidal |
| USDA HARDINESS | EXPOSURE | |
| 4-7 | Full Sun | |

Bloomerang Purpink® Reblooming Lilac

Syringa x pubescens 'SMNSPTP' PP35,123

- Has fragrant purple or pale pink blooms that cover the plant in spring
- Provides additional blooms in late summer
- Features a mounded habit with disease resistant foliage

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|---------|
| 3-5' | 2-3' | Mounded |
| USDA HARDINESS | EXPOSURE | |
| 3-7 | Full Sun | |

Kudos® Apple

Malus 'MN 33' PPAF

- Fruit has juicy texture and sweet, balanced flavor with tropical undertones
- Similar or slightly later harvest date compared to Honeycrisp
- Has a spreading habit with medium to high vigor

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|-----------|
| Varies | Varies | Spreading |
| USDA HARDINESS | EXPOSURE | |
| 4-8 | Full Sun | |

Peter Cottontail Yarrow

Achillea ptarmica 'Peter Cottontail' PP31,756

- Features clusters of white blooms that resemble Baby's Breath
- Has larger blooms and tidier habit than other *A. ptarmica* on the market
- A low maintenance perennial that deer and rabbits tend to avoid

| HEIGHT | WIDTH | SHAPE |
|----------------|------------------------|----------|
| 18-24" | 28-30" | Mounding |
| USDA HARDINESS | EXPOSURE | |
| 3-8 | Full Sun to Part Shade | |

Honeycomb Blue Grama Grass

Bouteloua gracilis 'Honeycomb' PP33,101

- Stands out with golden seedheads and attractive structure
- Drought tolerant grass with a dense, improved habit
- Attractive to pollinators and deer resistant

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|-------------------|
| 24-30" | 18-24" | Upright, Clumping |
| USDA HARDINESS | EXPOSURE | |
| 4-9 | Full Sun | |

Lady Bird Coreopsis

Coreopsis 'Lady Bird' PP27,362

- Striking red flowers add a pop of color to the landscape
- Attractive foliage is resistant to powdery mildew
- Has a compact habit and thrives in well-drained soil

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|----------|
| 10-12" | 15" | Mounding |
| USDA HARDINESS | EXPOSURE | |
| 5-9 | Full Sun | |

Frosty Fire Dianthus

Dianthus x allwoodii 'Frosty Fire'

- Features bright red flowers with a hint of white in the blooms
- Blooms are fragrant and attract butterflies
- Forms a low growing mat of blue-green foliage

| HEIGHT | WIDTH | SHAPE |
|----------------|------------------------|--------|
| 6-8" | 9" | Tufted |
| USDA HARDINESS | EXPOSURE | |
| 3-8 | Full Sun to Part Shade | |

Lightning Bug Coreopsis

Coreopsis 'Lightning Bug' PP27,361

- Has prolific red-eyed gold flowers that cover the plant in summer
- Colorful blooms attract bees and butterflies
- Pairs nicely with other perennials in group plantings and borders

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|----------|
| 10-12" | 15" | Mounding |
| USDA HARDINESS | EXPOSURE | |
| 5-9 | Full Sun | |

Kismet® Red Coneflower

Echinacea 'TNECHRD' PP29,743

- Provides striking red blooms throughout summer
- A compact perennial for borders, group plantings, and decorative pots
- Attractive seedheads offer winter interest and food for birds

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|----------|
| 16-18" | 24" | Mounding |
| USDA HARDINESS | EXPOSURE | |
| 4-9 | Full Sun | |

Kismet® Yellow Coneflower

Echinacea 'TNECHKY' PP29,922

- A naturally compact plant with butter-yellow flowers
- Blooms are long lasting and attract pollinators
- Seedheads remain attractive in winter and provide food for birds

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|----------|
| 16-18" | 24" | Mounding |
| USDA HARDINESS | EXPOSURE | |
| 4-9 | Full Sun | |

Kismet® Intense Orange Coneflower

Echinacea 'TNECHKIO' PP28,769

- Has intense orange blooms on upright stems
- Remains compact and is ideal for borders and decorative pots
- Seedheads offer winter interest and food for birds

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|----------|
| 16-18" | 24" | Mounding |
| USDA HARDINESS | EXPOSURE | |
| 4-9 | Full Sun | |

Artisan™ Yellow Ombre Coneflower

Echinacea x hybrida 'PAS1303304' PP7,982,110

- Boasts golden-yellow blooms on a compact plant
- A prolific and long blooming variety
- Great plant for small landscapes and in deco pots

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|---------|
| 24-34" | 10-25" | Upright |
| USDA HARDINESS | EXPOSURE | |
| 4-9 | Full Sun | |

Japanese Forest Grass

Hakonechloa macra

- Provides a striking accent with bright green foliage
- Gradually spreads to form a bright groundcover
- Looks beautiful along paths and in woodlands gardens or decorative pots

| HEIGHT | WIDTH | SHAPE |
|----------------|------------------------|----------|
| 12-18" | 24" | Mounding |
| USDA HARDINESS | EXPOSURE | |
| 4-8 | Part Sun to Full Shade | |

Summerific® Perfect Storm Hibiscus

Hibiscus 'Perfect Storm' PP27,880

- Features dark foliage and tropical looking flowers
- Blooms are shades of pink with a bright red center
- Remains compact and makes an excellent specimen in the garden

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|---------|
| 3' | 4.5-5' | Upright |
| USDA HARDINESS | EXPOSURE | |
| 4-9 | Full Sun | |

Dark Vader Pulmonaria

Pulmonaria 'Dark Vader'

- Features pink to dark blue flowers in spring
- Has attractive, silver spotted foliage throughout the summer
- Leaves are mildew resistant and look great alongside other perennials

| HEIGHT | WIDTH | SHAPE |
|----------------|------------------------|---------|
| 10-12" | 20" | Mounded |
| USDA HARDINESS | EXPOSURE | |
| 3-8 | Part Sun to Full Shade | |

Curly Fries Hosta

Hosta 'Curly Fries'

- A mini hosta with arching, rippled leaves that resemble curly fries
- Bright foliage pairs well with dark leaf perennials in shaded areas
- Suitable for the front of a border or in decorative pots

| HEIGHT | WIDTH | SHAPE |
|----------------|------------------------|---------|
| 16" | 16" | Mounded |
| USDA HARDINESS | EXPOSURE | |
| 3-9 | Part Sun to Full Shade | |

June Hosta

Hosta 'June'

- Has unique variegation with blue-green margins and golden leaves
- Heavy leaves deter slugs and look clean all season long
- Can be paired with other perennials to brighten a shade garden

| HEIGHT | WIDTH | SHAPE |
|----------------|------------------------|---------|
| 20" | 20" | Mounded |
| USDA HARDINESS | EXPOSURE | |
| 3-9 | Part Sun to Full Shade | |

Pink Profusion Salvia

Salvia nemerosa 'Pink Profusion' PP31,435

- Pink blooms continue to rebloom, especially when deadheaded
- Has a dense, upright habit that is covered with blooms
- Perfect size for large scale plantings and decorative pots

| HEIGHT | WIDTH | SHAPE |
|----------------|----------|---------|
| 10-12" | 20" | Mounded |
| USDA HARDINESS | EXPOSURE | |
| 3-8 | Full Sun | |

Magic Show® White Wands Speedwell

Veronica 'White Wands' PP27,632

- Longer blooming compared to other varieties
- Attracts hummingbirds and pollinators
- Ideal for the middle of a border among perennials and small shrubs

| HEIGHT | WIDTH | SHAPE |
|----------------|------------------------|----------|
| 14-16" | 16-20" | Mounding |
| USDA HARDINESS | EXPOSURE | |
| 4-8 | Full Sun to Part Shade | |
