AHS Heat Zone: 9

Height: 6-7'

Width: 6-7'

Big Beauty[®] stands out with double blooms and strong fragrance. Massive numbers of pure white flowers cover the plant in summer, allowing the fragrance to spread far and wide. Its naturally round habit eliminates the need for pruning in the landscape, making it low maintenance. At six-to-seven feet, this larger gardenia is ideal for hedges or foundation plantings. Introduced by Bailey Innovations[™].
